GIVE BACK AND PAY IT FORWARD

Have you ever done an act of kindness? Have you found joy in the fact that you helped someone? Or made a difference in the life of someone else, no matter how big or small? It could have been financially, physical assistance, a kind gesture or simply a smile...

We aim to do all of this by setting up a Mobile Community Service Centre for the Elderly.

- Too many are forgotten
- Too many have been abandoned
- Too many don't have a safe haven or a meal a day to eat.

The aim of this Service Centre is to attend to their basic needs, basic needs that are a Human Right.

- Provide one home cooked meal a day
- Physical assistance to those who can't assist themselves
- Basic clinical tests
- Transport to and from hospitals and clinics
- Involving them in recreational and spiritual activities

BUT most importantly giving them back their sense of self-worth and belonging.

To set-up this Service Centre there are major financial commitments. It is estimated that it will cost R1.2 million for set up and be sustained for 6 months thereafter.

Set up involves purchasing:

- All equipment for decentralize clinic services
- Mini vans to provide transport
- Nursing staff / carers to assist the elderly, in day and home base care
- All that is required to provide meals and care on a daily basis
- All consumables needed to provide care on decentralize basis

We ask of you to show an act of kindness by making a cash donation towards this cause then pay it forward to however many you wish to do the same. Anything you want to give from R1 – R1 million. A little goes a long way in the life of another.

Give Back and Pay it Forward and TOGETHER we can make a difference.

This is your way of showing thanks to all of those who paved the way for us to have what we have today. Would you be here without them?

Should you require more information please do not hesitate to contact us.
